**Description**

The Azores Range represents freedom. Freedom to create. Freedom to play. Freedom to design your perfect acoustic treatment. The Range of 7 shapes and 21 Colours was conceived to unleash your inner creativity - throughout Walls, ceilings and clouds. The azores range is universally compatible - and compatible with the rest of the Artnovion range. Azores is designed to treat first reflections, or to get the perfect RT in your space. With fully mechanical, adjustable fixing systems - creating your dream environment has never been easier.

Each panel has strategically placed threaded inserts, compatible with all M6 accessories - from bolts and threaded bar to hooks and wire tensioners.
