Technical Information

Myriad is an acoustic absorber panel, designed for rooms that require a simple and efficient solution for reverberation control.

Made from high-performance acoustic foam, covered with a premium acoustic fabric, Myriad excels in the high-frequency range. Myriad unleashes its design potential when combining colours, allowing you to create beautiful designs and your own personalised patterns.

Myriad is very easy to install, with a self-adhesive backing. In minutes you can have your room acoustically treated and ready to use.
